## Thank You Volunteers!

Our greatest resource is our team of volunteers! Nobody at INLUS is paid for their services, allowing us to direct as much money as possible to scholarships and grants. We always welcome new volunteers who are dependable, committed, and have a passion for this work. Our website [www.inlus.org](http://www.inlus.org) continues growing to be a resource for information about our work, as is our presence on various social media platforms.
