

# DON'T BE A TOURIST, BE A SNORRI!

Immerse yourself in Icelandic culture | Make lifelong friends & memories  
Meet your relatives | Visit unique locations | Learn basic Icelandic

## SNORRI

A five-week summer program in Iceland for North Americans of Icelandic descent, ages 20-30. Two-weeks language instruction, sightseeing, cultural education; Two weeks home-stays and volunteer placements; One-week adventure tour!

Apply by: Jan. 11, 2021

## SNORRI PLUS

A two-week summer program in Iceland for North Americans over the age of 30: individuals, couples, and family groups. You don't need to be of Icelandic descent, just passionate about Iceland!

Register by: Jan. 25, 2021

## SNORRI WEST

A four-week summer program in North America for Icelanders aged 20-30 who want to connect with people of Icelandic descent in the US and Canada.

The 2021 group will visit Manitoba, North Dakota and Minnesota and we need host families/volunteers to help make the experience memorable!
