## President's Message

This year's report highlights all we accomplished in 2022. As I look back through past Annual Reports, a variety of activities and projects have been undertaken with more on the way. It was great seeing COVID restrictions lifted so we could again provide grants and scholarships to support the Snorri Programs and participants.

We owe special thanks to our volunteers who produce our newsletters and keep our social media and other communications active and engaging. Each member and donor is integral to achieving our goals and vision. Þakka þér!
